

KM Series Peristaltic Metering Pump

FEATURES:

- ✓ 4.33" color LCD display.
- ✓ Optical tube leak detection standard.
- ✓ Remote inputs available: 4-20mA, SCADA, EtherNet/IP, Profibus, Modbus.
- ✓ Onboard run timer for predictive maintenance.
- ✓ Equipped with USB port for firmware upgrades.
- ✓ 4 programmable Form-C relays.
- ✓ Several tube materials available.

BENEFITS:

- ✓ Each rotation gives the same displacement which provides excellent metering characteristic.
- ✓ Suction lift up to 30' (9 m). No backflow or slip is allowed.
- ✓ Self priming peristaltic metering pump delivers smooth chemical feed.
- ✓ No moving parts in liquid path: tubing is the only wetted item.
- ✓ No check balls/check valves.
- ✓ No damage from running dry.
- ✓ PUMP WILL NOT VAPOR LOCK OR AIR BIND.

Patent-pending rotor assembly releases tube compression during maintenance

Best in class user experience featuring one-button switching between local and remote operation

SCADA model can be field-upgraded to include industrial protocols

High level of safety: tube change does not require the user to manipulate the tube while rotor is turning

No need for complex, multi-step menu navigation each time a mode change is required

Allows customers to purchase a pump that meets current needs at a lower price, with the option of upgrading in the future

OVERVIEW:

PUMP PERFORMANCE		
SMALL - KM2	17 gph 65 lph	110 psi 7.6 bar
MEDIUM - KM3	33 gph 126 lph	110 psi 7.6 bar
LARGE - KM4	159 gph 600 lph	110 psi 7.6 bar

	KM Series	
Focus	Industrial & Municipal markets	
Turndown	10,000:1	
NSF-61	Yes	
Warranty	2 years	
Applications	Industrial Water Treatment Ink, Dye, and Pigment Sulfuric Acid Plating Solutions Fungicide/Biocide Anti-scalant Seedcoating Reagents	Sodium Hypochlorite Polymers Caustic/Sodium Hydroxide Polyaluminum Chloride Fluoride pH and Odor Control Ferric Chloride Sampling Pumps

About Ingersoll Rand Inc.

Ingersoll Rand Inc. (NYSE:IR), driven by an entrepreneurial spirit and ownership mindset, is dedicated to helping make life better for our employees, customers and communities. Customers lean on us for our technology-driven excellence in mission-critical flow creation and industrial solutions across 40+ respected brands where our products and services excel in the most complex and harsh conditions. Our employees develop customers for life through their daily commitment to expertise, productivity and efficiency. For more information, visit www.IRSCO.com.
